rock 'n' roll fashion & lifestyle blogger

ABOUT MY BLOG

I'm pretty sure I was a rockstar in a past life and my taste in music and sense of style comes directly from that. Along with fashion, I'm a huge makeup lover, as well. I've also gotten really into fitness the past few years and try to keep active. I created this blog as another creative outlet to share my interests with others. These passions are definitely covered quite a bit on my personal blog, so I hope others enjoy and are inspired!

I'm a 30-year-old creative who was born and raised in the Midwest, Central Illinois to be exact. I'm currently located in Austin, Texas. I went to Bradley University for Communications, with a concentration in Advertising and minor in Interactive Media. In addition to my marketing day job, I've run my own photography business since 2013. I love going to concerts, eating out at restaurants, trying out new style trends, paddle boarding, and taking my two dachshunds to the dog park.
